FROM THE PRINCIPAL

REFLECTION
The world we live in today is a very different world to what I experienced as a primary school child. As a high performing school, we respond to this, and we respond to the rate of change of all aspects of our society. It has become a matter of fact, that in schools, we are preparing our students for an unknown world, for jobs that do not exist yet. This means that we are preparing children to be problem solvers, creative thinkers, knowledge explorers, team players – all attributes that were not at the forefront of my education in the early years.

Knowledge acquisition is no longer enough – although we certainly respect that there is a place for it. None of us wants the pilot of the aeroplane looking up the landing instructions on the internet whilst flying the plane. We need people who know how to find information when they need it, who know how to critically analyse information and its sources, who can work with others to solve complex problems, who can think ‘outside the box’ when faced with new and different problems.

As a result, in primary schools, we are now focusing on skills such as reasoning, creative thinking, drawing on our prior experience to predict possible options, conducting fair and reasonable investigations, making links between various bodies of knowledge and experience, and working with others to achieve results beyond the capacity of the individual. This is not an exhaustive list and we need to be agile and flexible to change direction when the needs of our world change. Knowledge is not redundant, but, it is only part of the education process.

Our children can feel that they are under enormous pressure when confronted with the barrage of knowledge and experiences that they are bombarded with from the many sources of media. I encourage parents to give their children time to play – this is an important tool for child development. Play, too, educates – in the affective side of child development. Think of the attributes mentioned above – some of these are learned through play.

If our children are going to thrive in this future world, then play is where they learn to take risks and step outside their comfort zone, within safe parameters. This is where they can pretend, imagine, create, design and place themselves in another world – let’s give our children this chance. We need to prepare them for a world we cannot imagine.

DI CARTER, PRINCIPAL

FROM THE DEPUTY PRINCIPALS

As the weather begins to get cooler and students require warmer clothes, please ensure your child is wearing school uniform policy approved jumpers, pants and leggings.

The approved items are available for purchase from the school uniform shop.

The school uniform is approved by the Parents and Citizens Association for a number of reasons including:
SCHOOL DRESS CODE POLICY

PURPOSE

The wearing of school uniforms by students of Warrigal Road State School will assist the school community to:

- Define an identity for the school within its community;
- Develop students’ sense of belonging to the school community;
- Provide an opportunity to build school spirit;
- Enhance the health and safety of students when involved in school activities;
- Promote a sense of inclusiveness, non-discrimination and equal opportunity;
- Reinforce the perception of the school as an ordered and safe environment;
- Increase the personal safety of students and staff by allowing easier recognition of visitors and potential intruders in the school;
- Make school clothing more affordable for families by eliminating the risk of peer pressure to wear fashionable and expensive clothes.

Your cooperation with this matter is greatly appreciated.

YEAR 3 TO 6 COMPETITION TIME!

Daisy, Donald, Delta and Dexter Din are bored with their stickers. They feel like it's time for a change. They need something more interesting and eye-catching.

YOUR MISSION: Design four stickers for our school sticker charts, including the four colours, red, yellow, blue and green.

YOU MUST: Stick to the right colour for each member of the Din family.

INCLUDE: Each member of the Din family somewhere on your design.

We also need stickers for our music dingoes, Dolce and Dynamic and our sport dingoes, Debbie and Dylan. The same rules apply as above, but this design may include all four colours.

Prizes will be awarded for the chosen design!

SEND YOUR ENTRY TO MRS COCK, YEAR 6D, BY FRIDAY 3 JUNE

QAR QUESTIONS – THINK AND SEARCH

Think and Search questions are In The Book questions. The answers to these questions are found in several sections of the text. Here are some question starters that may assist you to ask Think and Search Questions.

BOOKFAIR

Our school Bookfair begins on Wednesday 1 June and will conclude on Wednesday 8 June. The Bookfair will operate in the resource centre and will be open from 8.30am in the mornings, first break from 11.00am to 11.45am and after school until 3:30pm. On Thursday 2 June, the Bookfair will have extended hours until 4:30pm. This is a great opportunity to promote reading with your children.

UNDER EIGHTS’ DAY

What a fantastic morning our prep and year one students had last Friday celebrating Under Eights’ Week. They were highly engaged in lots of fun activities, which included painting, mask making, the parachute, games, dancing, an obstacle course, face painting and a variety of art and craft activities. A big thank you to our prep and year one teachers and teacher aides for organising and facilitating the great activities. Special thanks to our Early Years committee for their assistance and the YMCA for running an activity and donating the ice blocks for the students. Thanks also to the parents and carers for attending. It was a very successful morning.

MUSIC NOTES

UPCOMING EVENTS:

QYMA FINALS: WEDNESDAY JUNE 1 – at the Gap State High School beginning at 6.30pm
Please arrive promptly at the tuckshop covered area by 4.55pm, as we need to travel across town in the traffic. Parents who are picking their children up from the bus when we arrive back at school, please wait at the front gate of the school. I will be unable to walk students to the carpark. It is most important that I release your child directly to you. For the parents who will be coming by bus with us, we have had to place some of you with other parents to travel to the venue.

Please Note: If your son has not returned his permission slip, he will not be able to get on the bus.

TREBLE VOICES FESTIVAL:
What a truly fantastic afternoon of choral music – the children from Warrigal Road were exceptional in their singing and in their behaviour, both on and off stage.
My sincere thanks to all the staff members from Warrigal Road who helped supervise students, supervise in the foyer and supervise in the auditorium – it never ceases to amaze me how capable we are at these events. I could not run such an event without your help.

MISSED EMAILS: I am still trying to rectify some email addresses on our data base and these addresses are not saving onto your child’s ensemble.

INSTRUMENTAL FANFARE 2016 – THURSDAY JUNE 2:
There will be three buses going to this event:
Bus 1 and bus 2 will depart Warrigal Road at 8.00am.
Bus 3 will depart Warrigal Road at 8.30am.

Please note that all wind ensemble and all symphonic band will be on the first two buses. Also, a group from Thomastik strings will be on the first two buses. The third bus will have the rest of Thomastik strings, plus all of Corelli. This is a very big movement of children and we require students on bus 1 and 2 to be at school at 7.30am – put their bag at their classroom and bring with them to the undercover area, their instrument and music, water bottle and food snack. Students on bus 3 should arrive at the tuckshop covered area at 8.00am with their instrument, music, water bottle and snack and be seated waiting for the roll to be called.

IMPORTANT DATES
14 June - Prep and year 1 sports day
15 and 20 June - Year 4 to year 6 sports days
16 June - Year 2 and year 3 sports day
17 June - Years 5 and year 6 Semester Two Gala Day Selections

SUNNYBANK DISTRICT TENNIS SELECTIONS
Last Tuesday, four students from 10 to 12 years represented Warrigal Road SS at the District Tennis trials. Out of the four students that attended, two students gained selection into the Sunnybank District team. Congratulations to Lachlan H and Lily T on this achievement. We wish them the best of luck at the Met West trials in June.

SUNNYBANK DISTRICT RUGBY UNION SELECTIONS
Congratulations to Reza P in Year 6 who has gained selection into the Boys Sunnybank District Rugby Union team. We wish him the best of luck for the Regional Trials.

INTERMEDIATE AND SENIOR SPORTS DAY – CHANGE OF STRUCTURE
As you will see on the timetables below, we have had a change in structure to our Intermediate and Senior Sports Days this year. These timetables are subject to change.
The Years 2 to 3 carnival will now see students participating in more ‘Athletic’ type events. They will still participate in a rotational basis in their genders and year levels. Last year, the students participated in four rotational activities – Ball Games, Sprints and Relays, Tabloid Games and Tug O’ War. This year, we have shortened the rotations slightly, so that we can add Long Jump and High Jump. Students will still participate in Sprints and Relays, Tabloids, Tug O’ War and Ball Games, but Tug O’ War will now be part of the Tabloids rotation and not a stand-alone activity.

This term, the Years 2 to 3 students have focussed on athletics all term. They have learnt the basic movements and techniques required in Long Jump, Shot Put and High Jump, as well as Sprints, Relays and Tabloid games. The Sports Committee believes it is a great opportunity to put into practice what the students have learnt in HPE and also begin to transition these students into the Senior Carnival in year 4, where they will participate in more events again.

The structure of the years 4 to 6 Senior Carnival has also changed. In the past, students have participated in one Senior Sports Day. On Sports Day, all students from Years 4 to 6 would participate in Tug O’ War, Sprints and Relays, Tabloids and Ball Games. Students displaying great athletic abilities would qualify for Long Jump, High Jump, Shot Put, Discus, 200m or 800m finals. These finals would take place in class time, on any given day, approximately a week prior to the actual Sports Day.

This year, changes have been put in place so that all students can participate in Long Jump, High Jump, Shot Put, Discus and Running on Sports Day. Just like the Years 2 to 3 students, Years 4 to 6 have been learning about the required techniques and movements required for each athletic event in HPE lessons. The Sports Committee wants the Senior Sports Day to be more inclusive, and therefore, we will still have our competitive areas and finals for the students who qualify, but we will also have a non-competitive area and give the non-qualifiers a chance to show their abilities on Sports Day as well. To give the students more exposure to Field Events and Running and to have a more inclusive Sports Day, we require more time, so this year all students will come out over two days and compete in their house groups.

YEARS 4 TO 6 SPORTS DAY FINALISTS
During weeks four to nine, students in years 4 to 6 will be going through an assessment and qualifying process in HPE lessons. Each student has the chance to qualify for the Long Jump, High Jump, Shot Put, Discus, 200m and 800m finals. All 100m heats and finals will be run on Sports Days.

The best jumpers, runners and throwers will be chosen from each age group. Each week, I display a new set of finalists on the HPE noticeboard outside the hall. These students will compete against one another on Sports Day in the competitive area while all other students will participate in the same event, at the same time, in a non-competitive area.

Please ensure all students regularly check the noticeboard so they know whether they have made finals or not. It is essential that all students know this information by Sports Days.

GALA DAY REPORTS

SOCCER
Girls Junior A & B

The Junior A girls showed great teamwork and outstanding soccer skills in round 3 winning all their games. In the first game the girls came up against Runcorn Heights defeating them 1-0. Their second game saw our girls demonstrating extraordinary attacking skills to defeat Sunnybank Hills 2 with a score of 2-0. At the end of the round games the girls were sitting in ninth place which saw them playing off and defeating Runcorn 1-0 to keep their 9th place position on the ladder. Great work girls you are to be commended for your efforts.

The Junior B girls played outstanding soccer in round three. The first game saw the girls defeating Sunnybank Hills team 3 with a score of 2-0. Their second game tested our girls’ defences as they came up against a very strong and skilled forward pack in the Sunnybank Hills Team 1 which unfortunately saw our girls defeated 2-0. At the end of the round games our girls found themselves tied on equal points with Sunnybank Hills Team 1 who they played in a nail biting grand final. All team players are to be commended for your team work and showing great strength in your attack and defence which kept Sunnybank Hills to a nil all score. Congratulations girls on becoming Sunnybank District Champions.

Both junior teams are to be commended on their efforts this season and it has been a pleasure coaching you. Thank you to all parents who have come along to support and assist the girls this semester. We appreciate the time you give to come and watch.

MONIQUE MITCHELL, COACH

BOYS BASKETBALL
In week six, the boys played their last games of basketball.

Senior A
The Senior A team competed in three games on the day. The boys were successful in all three games with a 42-0 win over Calamvale B, a 32-0 win over Algester B and a win over Warrigal B. Best and Fairest for the day went to Mason, Yuvi and TJ.

Senior B
The Senior B team also competed in three games. The boys put in great effort throughout the day. They had an 11-2 loss to Calamvale A, 18-2 loss to Algester A and finished with a loss to Warrigal A. Best and Fairest of the day were Mohit, Pawit and Simon.

Junior A
The Junior A team were involved in two solid games. The boys showed great teamwork throughout the day. They started with a 10-0 win over Calamvale B and had a 10-2 win over BCC B. Best and Fairest went to Chris, Lachlan and Ash.

Junior B
The Junior B team were involved in three games. The boys had some difficult games throughout the day by playing only A teams, but showed improved defence. They had a 10-0 loss to Sunnybank Hills, 16-2 loss to Calamvale A and a loss to BCC A. Best and Fairest for the day were Ryder, Nemanja and Parva.

Well done to all the boys for the commitment and teamwork through the season.

STEVE GEEVES, COACH

CHESS LESSONS
Gardinere Chess is offering chess lessons in term three on a Thursday afternoon from 3:10 – 4:10pm for ten weeks. If you are interested in the chess lessons then please see the office for a form or Mrs Rana in Prep C.

Messages from the Coordinator: 31 May 2016
I would like to thank all the families who have kindly donated games, toys, cushions and books. All your donations are appreciated by the staff and our children. Please feel free to continue with your generous donations.
I am also very excited to let you all know, that as of term three, we will be extending our licensing to one hundred and twenty children a day. If you are on our waiting list and have not yet received an email, please feel free to contact staff.

**What we have been doing:**

Our theme for week seven was “Messy Play”. Some of our messy play activities included, shaving cream snow, making goo, making slime and making lots and lots of ceramic moulds for Under Eight’s Day. The children at our YMCA OSHC had lots of fun making different moulds all week, for the younger children of the school could enjoy creating. The YMCA OSHC then set up a display so all Under Eight’s Day could come along and pick out the mould they wanted to paint and decorate and take home.

Bookings forms are available now for Winter Vacation Care by phoning 0477 767 984 or email: awr@ymca.org.au

Get in quick for lots of holiday fun and excitement.

**TRACEY MARTIN, COORDINATOR**
The P&C raises funds to improve the school, purchasing equipment and facilities that are not covered by the school’s budget from State Government money. Last year the P&C funded the creative play area in the year 2/3 playground with help from a grant, funds from the Early Years subcommittee as well as some money from the school. This development helped sort out drainage issues and helped the school win the Government funding for the outdoor learning area to rejuvenate the entire area. Earlier in the year P&C funds were also used to buy the tractor in the Prep playground.

Our next major projects are the replacement of the year 2/3 active play equipment along with new soft fall, as well as installation of air conditioning through the school with help from the building fund. We are looking at grants and other Government support to help with this and would like to start on this work before the end of the year. The various fundraising activities will require support from across the school and we will be calling for volunteers in the lead up to each event through the newsletter as well as direct emails.

The P&C looks forward to your support throughout the rest of the year to allow us to continue the school improvements for all of our children.

Sports Days Coming up - Volunteer Now

Sports Days for 2016 are fast approaching, and letters have already started going out to families. The Sports Days letters have a section requesting you to volunteer a little of your time to help out with the BBQ and the cake stall. We will have a roster, and are happy to give volunteers a break whenever needed to ensure you do not miss out on watching and cheering on your little champions. In fact we will come and cheer with you. Even if you can only help out for an hour or two on one of the days, that would be such a great help! If you can’t help out on the days but would like to contribute, we are having a bake sale; we need items that we can sell. Remember, by your helping out- you are making a difference to your children’s school. Volunteering is a great way to meet other parents, it’s not hard work – and it is fun too! If you think you would like to help out, but aren’t too sure what it might entail, please feel free to contact Rebecca on 0414463361, or email wrsspandc@hotmail.com
The WRSS P&C would like to thank Louise Talbot for her volunteering at the school over the last decade. Louise started with the P&C when her oldest child was in Prep and is still heavily involved today. Over the years Louise has been involved in every aspect of the P&C spending countless hours at BBQs, cake stalls, tuckshop, uniform shop, Warrigala, applying for grants, attending P&C meetings and many others. Her youngest child is now in year 2 and we are fortunate that we will still have her around for another four years. The next time you see Louise around the school, please say thank you Louise.

Cookie Dough Fundraiser

Thank you to all the parents/guardians that supported this fundraiser. If you haven’t picked up your pre-ordered Cookie Dough please see Katherine Kolodko in the Uniform Shop on Monday or Wednesdays. This fundraiser raised just over $950 which will be going towards the school play equipment. Thank you to all the volunteers that helped with the running of this fundraiser.

Under 8’s Day

Thank you to Tracey & YMCA before & after school care for their very generous donation of ice blocks for the under 8’s day.
Next Meeting: Wednesday June 15th 6:30 pm in the staff room. All Welcome
