FROM THE PRINCIPAL

CLASSES 2017
Parents may make a request in writing to me through my email address: the.principal@warrroadss.eq.edu.au or by mail if they wish to have input about the allocation of students to classes next year. Parents cannot choose the teacher, but if you have particular concerns about your child’s social interactions with other students or the group dynamic with certain students, your request will be considered. Requests are not guaranteed, as there are many factors that impact on the allocation of a child to a class. In making up classes we consider: any special needs in terms of learning, group dynamics of students, particular learning styles, relationships that enhance learning, a balance of students of different abilities, special interests, and any other factor relevant to a child’s learning.

MUSIC CONCERT
It is with great excitement that we look forward to the 2016 Music Concert this Friday night which will showcase the wonderful work of the music teaching team and our talented students. This is a highlight of our school calendar year and nobody could fail to be impressed with the quality of what will be played and sung on Friday. With great expectations, I want to recognise the effort and time that goes into this great event from staff on the night, the teachers and students, and the parents who have to get their children to rehearsals.

DISCO MAGIC
Our school disco will be held next Friday night, 21 October. Thanks to the efforts of our P&C and the teachers who give up their family time, to share the time with their students and supervise the children on the night. A good time will be had by all.

BEFORE SCHOOL
A reminder to parents that school starts at 8.55am and children should not be dropped off at school before 8.30am, unless they have special lessons or rehearsals. While you are waiting for the bell before school, parents and students are to gather in the tuckshop area (years 3-6) or outside the library (Prep to year 2). Teachers are preparing for the day ahead and are not able to supervise all the students. Supervision is provided in the two areas mentioned above from 8.30am. This is a student safety concern. If there are other children who are unsupervised and sitting with you and your child, please direct them to the correct area.

SCHOOL OPINION SURVEY
Thank you to those parents who took the time to complete the survey. This is a regular yearly event and helps to support our drive to provide top quality educational experiences for our students. Over a range of thirty-five questions, indicating the extent to which parents and caregivers are satisfied with our school, we were above in all categories of like schools, all primary schools, schools in the Metropolitan region and all State schools in twenty-eight of the areas. We were above ninety percent in every category. We are very proud to receive this feedback from our parents and know that we are meeting your expectations.
In terms of the student feedback, we have improved in twenty-six out of thirty-two areas between 2012 and 2016. In only seven out of thirty-two areas did we fall below ninety percent. We will reflect on this data and look at ways to improve over the next term.

Our results from the School Opinion are very good and we need to take the time to celebrate the good work that we are doing.

**PUPIL FREE DAY – MONDAY 17 OCTOBER**

A reminder that Monday 17 October is a Student Free Day. *On this day, students are not to attend school.* Our staff will be involved in professional development for the entire day and this includes the administration and office staff. The office will be closed for the day and will re-open on Tuesday morning.

**NDIS AND SCHOOL TRANSPORT ASSISTANCE**

Please find below a letter about arrangements regarding the NDIS and school transport assistance.

**DI CARTER, PRINCIPAL**

---

Dear parents,

Every day our school transport assistance scheme helps thousands of students with disability travel to and from school.

As you would be aware, the former state government made a decision to transition the school transport assistance scheme to the federal government’s National Disability Insurance Scheme (NDIS).

I have listened to parents and transport operators who are telling me they are concerned about the uncertainty as to who will deliver transport services under the NDIS and what it will mean for our most vulnerable students and their families.

These children who travel to school every day need the reassurance of certainty and routine.

That’s why the Queensland Government will continue to operate transport assistance for students with disability under the current model until 31 December 2019 – a full six months after the transition to NDIS is completed.

We negotiated this arrangement with the federal government to help ensure there is no disruption to school transport for children with disability during the NDIS transition.

However, I understand uncertainty remains for families and for transport operators beyond 2019.

I am writing to inform you I have called on the Federal Minister for Social Services to ensure no child is disadvantaged during the transition to the NDIS. I have asked the Federal Government to allow Queensland to continue to provide school transport assistance for students with disability under the current model beyond 2019.

Yours sincerely,

KATE JONES MP

Minister for Education and
Minister for Tourism and Major Events
From the Deputy Principals

Day for Daniel

On Friday 28 October, Warrigal Road State School will be participating in Day for Daniel. The aim of this day is to remind people in the community, that our children are precious and at times vulnerable. It is important that we all take a keen interest in keeping them safe. Through education, we are able to empower children, so that they can be proactive about their own safety.

On the day at school, the students will reinforce safety messages learnt in Health. As a school, we will raise the broader community’s awareness by wearing red clothes and the money collected from gold coin donations will be given to the Daniel Morcombe Foundation, so they can continue their vital work.

As parents, it is also important that we now be aware of the potential dangers on the internet. It is a necessary tool for communication and study for our children, but it is too easy for them to see content that isn’t appropriate for their young minds. It can happen accidently or through curiosity. That’s why as part of Day for Daniel, the school will forward information to you from the Daniel Morcombe Foundation about Cyber Safety. Please take the time to watch the video and talk with other parents. Through sharing your knowledge you can support each other and make our community stronger and safer.

**MISS BELL AND MRS PANTELAS**
How does playing an instrument benefit your brain? The answer is, in the activities that are inherent in reaching the goal of performing a piece of music on an instrument or on voice.

This week I will explore a third reason for the benefits to the brain:
3. Staying flexible and responding to unforeseen events – “Strange things happen in performance” is a common mantra of any musical conductor as well as “you have to be ready for anything”. If the cello section miscount for some reason and come in a bar early, the rest of the ensemble need to make a decision right away. The ability to adjust our responses is incredibly difficult, because most of the time we just want to start the piece again. But in performance, that just cannot happen and your child is responding in the moment to a given circumstance. Remember, this also all happens without a verbal instruction being spoken. WOW!

UPCOMING EVENTS CONTINUED:

READING MUSIC – SOME THOUGHTS AND IDEAS:
Music is a language and for some people that language is easy to learn while for others (just as in reading) it is more challenging.
For some students the process takes a lot longer and then clicks into place. Often children are tempted to write the names of the notes under their music, this is probably one of the greatest barriers to learning to read music. What seems like a good idea in the short term is a terrible idea in the long run.
In all the acquisition of the skill of reading music is a developmental one which we begin in Prep through aural work first.
I have met people who had reading difficulties and took up playing an instrument and were able to read music quite easily and then had great improvement in the overall reading ability.

Finally, no one can learn to read music if they never practice reading the notes e.g., in short homework tasks like playing recorder or singing a song in rhythm names or letter names. It is like asking a child to learn to read but never letting them read a book.

**P&C News: 12th October 2016**

**A Note From Your President**

Thank you to the Early Years Committee and other volunteers for the BBQ at Bunnings last Saturday, as well as to everyone that came along and offered support by buying from the stall. If you didn't get a chance to help out there another opportunity will be coming up in a couple of weeks with the school disco. This is again organised by the hard working Early Years Committee. These events raise good funds for school improvements, and the children always enjoy the school disco.

Speaking of hard working committees, the Active School Travel and Safe School Travel Committee is still looking for help at the pickup zones as detailed below. One of the driving forces behind this committee will be leaving at the end of the year as her last child graduates, so we need more help in this group. Please consider offering your time to help out there to ease frustration and keep everyone safe around the school.

**Warrigala 2017**

Over the next few weeks we will continue to feature the key roles that we need to fill for next year’s event.

- **Food Stall Co-ordinator – P&C and Outsourced.**
  - Primary Responsibilities – Select, plan and execute all food stalls (food consumed on the day), for both the stalls run by the P&C and the outsourced vendors. Co-ordinate equipment hire, including Public Address system and food equipment hire.
  - Duties include – Selecting food stall themes, co-ordinating volunteers to plan the stalls, working with the market stall co-ordinator to secure outside commercial food vendors, working with the fete convenor on physical stall placement, ordering food supplies, equipment hire co-ordination, facilitation of loan equipment, ensure hygiene standards
are communicated and adhered to and co-ordinating extra volunteers as needed on Fete day.
  o Special needs – Needs to be present at the Fete. We are looking to represent as many cultures through food as possible, a focus on healthy choices where possible.

- **Market Stall and Activities Co-ordinator – P&C and Outsourced.**
  - Primary Responsibilities – Select, plan and execute all market stalls, for both the stalls run by the P&C and the outsourced vendors.
  - Duties include – Selecting market stall providers, co-ordinating volunteers to plan the stall, recommending to fete convenor where an outside commercial operation is needed, working with the fete convenor on physical stall placement, working with the equipment hire co-ordinator, co-ordinating extra volunteers as needed on Fete day.
  - Special needs – Needs to be present at the Fete. We are looking to represent as many cultures through market stalls as possible.

Warrigala will be held on **August 19th 2017**. As this is no small event, we really need the assistance of as many volunteers as we can get. Please watch this space for more upcoming important roles! If you would like more information, please email wrsspandc@hotmail.com or contact Rebecca on 0414463361.

Uniform Shop

SPECIAL Uniform Shop OPENING DAYS
- Thursday 13th October 8am to 10am
- Monday 17th October CLOSED
Back to normal days and hours after this date.

We recommend that you start thinking about your uniform needs for next year and pop into the shop or online before the back to school rush. Remember we also have a stationery shop for all your book pack needs.
Parents, please remember that the hall pick up/drop off zone is a 2 minute area between the hours of 7-9am and 2-4pm. **If you are dropping your child off or picking them up from before/after school care you need to find a car park and walk your child in. You cannot park in the 2 minute zone and walk them in.**

**How to Use 2 Minute Drop off/Pick up Zones:**

* Always drive to the FRONT of the zone to allow other cars to file in behind you.

* If necessary, you can get out to assist your children with bags etc, but do not take longer than 2 minutes before driving off.

* Never double park to drop off children – it is illegal and dangerous.

* Motorists, “give each other a fair go”.

**BE RESPECTFUL**

Do not remain in the queue for longer than 2 minutes

Do not park in the zone and walk away from the car.

Do not stop in the middle of the zone, always drive to the front.

We are in desperate need of volunteers to help at the Pick Up and Drop Off zones at our school. Are you available to help out for 30 mins on a Tuesday afternoon? We need your help! We are looking for someone to help up at Demigre St on a Tuesday afternoon from 3-3.30pm. We also need helpers down at the hall carpark in the morning or afternoon. If you can spare 30 mins either before or after school that would be fantastic. Please email wrsspandc@hotmail.com if you can help.

Parents, don’t forget you are able to park in the IGA carpark for school drop off and pick up. Just pop into the office and ask the ladies for a parking slip to put on your car dashboard.

**Active School Travel**

Don’t forget ‘Walking Wheeling Wednesday’. The kids who walk, ride, scooter, car pool or catch public transport are rewarded with stamps in their travel passport. Keep your passport in a safe spot in your bag because **the more stamps you get, the more prizes you receive**. Fill the whole book and you will go in the draw for a **great prize at the end of the year**!

Come on everyone, give it a go. Park the car further away from the school and walk on down with the kids.
